ABOUT ML WIRA INTERNATIONAL

Since ancient times, millions of tea drinkers around the world have turned to tea to cure ailments ranging from headaches to depression, also to enjoy the leisure time. Today, scientists around the world are rigorously investigating the healing properties of tea, with studies suggesting that drinking tea can slow down certain cancers, protect against heart disease, help combat premature ageing and promote good health. We are one of the vibrant organizations in Sri Lanka with an understanding of tea over five generations and Ceylon Tea Quality Certified organization. Sri Lanka is one of the best quality tea exporters in the world as tea is one of the major industries in the country. ML Wira International having two tea factories named as Mulatiyana & Sirimewana after the respective villages. We always produce the best quality pure Ceylon tea to the world market with under the registration of Sri Lanka Tea Board. ML Wira International's major markets for tea are Vietnam, South Korea, Japan, Saudi Arabia, and Oman.

Fine Tea Estates

The wonderful mix of fertile soil, tropical weather and consistent rain has combined magnificently to bless Sri Lanka with emerald-green tea plantations. Wira Tea maintains several strategically placed estates with the highest quality of plants from different regions of the country.

State Of The Art Factories

ML Wira International owns and operates 5 state-of-the-art tea factories all over the country. Rigged with the latest technologies to improve quality of our tea production all our factories are designed and maintained by trained staff to guarantee the best quality possible.

Engineered Process

ML Wira International produces some of the freshest Pure Tea Ceylon has to offer. Our plantation process is carefully engineered to preserve the rich taste and texture of each and every tea leaf. Our engineers constantly work on ways to provide our consumers with a better tea experience.

Blend To Protection

Start your day with a fresh cup of Wira tea. We offer a 15+ unique grades of tea that guarantees the ultimate blend of pure Ceylon tea. Each batch is carefully inspected by professional tasters and QA engineers to ensure the quality that Wira Tea is world renowned for.

Silver Tips Tea

Discover the epitome of refined tea craftsmanship with Sri Lanka's rare Silver Tips Tea. Hand-plucked at dawn, only the tenderest buds are selected, sun-dried, and hand-rolled into delicate, needle-like tips with a velvety texture. This artisanal white tea offers unparalleled purity and elegance in every sip.

Health Benefits

Packed with antioxidants like Polyphenols and Catechins, Silver Tips Tea promotes heart health, supports weight management, and strengthens blood vessels. Its antioxidants protect against free radicals, reducing the risk of chronic diseases.

Wellness & Relaxation

A sip of Silver Tips does more than refresh—it detoxifies, soothes stomach acidity, and aids digestion. Rich in Amino Acid L-Theanine, it also enhances mental clarity and fosters a sense of calm relaxation.

Crafted for your well-being, Silver Tips Tea is a journey of health, serenity, and indulgence.

Global Export

Mobal Earpolis Wira Tea is renowned in the international tea market for producing and exporting high-quality Ceylon tea. ML Wira International has an established consumer base in Vietnam, South Korea, Japan, Saudi Arabia, and Oman.

Superior Taste

Wira Tea has a wide range of unique tea blends that is rich in flavour and high in quality. Gathered from our own tea estates placed in strategic location all over the island, each sample offers a distinct flavor unique to each region of the island.

Certified Quality

ML Wira International is constantly working towards improving the quality in our tea blends. Our tea has been awarded by multiple authorities for the exceptional quality. As registered members of the Ceylon Tea Board we offer unparalleled quality in every aspect of tea.
